THE GLEAM TEAM REFERRAL REWARDS PROGRAM

Great customers know great service. When you send someone to Gleam Team, we reward you for introducing them to the team that helps keep vehicles looking their best.

THEIR FIRST COMPLETED SERVICE

20%

You earn 20% of the qualifying service amount.

EVERY QUALIFYING RETURN

10%

You earn 10% each time they return within 12 months of their last completed service.

THE BEST PART? THE REWARD WINDOW KEEPS RENEWING.

As long as your referral returns for another qualifying completed paid service within one year of their previous visit, you earn 10% again — and that completed visit starts a new 12-month reward window.

KEEP THEM GLEAMING. KEEP EARNING.

IF YOU DON'T GLEAM ... WE DON'T GLEAM — AND IT'S FREE!

PROGRAM DETAILS: Referral must be a new Gleam Team customer and identify the referrer at booking or before the first completed service. Rewards are earned after qualifying paid services are completed. Canceled, refunded, complimentary or unpaid services do not qualify. The 10% recurring reward applies only while the referred customer returns within 12 months of the last qualifying completed service. Each qualifying completed return resets the 12-month period. Gleam Team may verify eligibility and reward calculations.
